

VENDOR PROFILE – COBATCO

If you have ever smelled the aroma of a freshly baked waffle cone, you will know what a driving force that is for ice cream sales. Cobatco is a company that is making this dream come true around the country.

“Cobatco offers a full line of high quality, dependable commercial equipment. Each unit is manufactured to meet the highest standards and specifications established within the Foodservice industry. Food costs are low, and profits are high - add the Cobatco waffle to your menu and watch it work for you! All Cobatco products are made in the U.S.A.”

The irresistible vanilla aroma of fresh-baked waffle cones is a strong traffic builder for your frozen dessert operation. Suitable for hand-dipped or soft-serve ice cream, frozen yogurt, custard, or gelato, the delicious waffle cones made on your CoBatCo waffle cone baker are your key to increased sales and profits.

Waffle cones are just the beginning. You can shape the fresh, warm waffle into edible dishes, baskets, or a variety of unique specialty dessert items.”
