

VENDOR PROFILE – SERVER PRODUCTS

Server Products based in Richfield WI, can be found in virtually any frozen dessert store throughout the country. In fact Server's mission is quite simple:

YEARS OF INNOVATIONS. ALL WITH ONE SIMPLE GOAL: HELPING YOU BE MORE EFFICIENT. THE RESULT IS A FULL LINE OF CONCESSION EQUIPMENT, CONDIMENT PUMPS, FOOD WARMERS, HOT TOPPING DISPENSERS AND OTHER FOOD SERVING SOLUTIONS DESIGNED TO MAKE YOUR WORK EASIER.

Most recognizable is their range of warmer and pumps, but recently a line of topping dispensers were added that not only are very efficient with portion control, but they look great as well. It gives the store a real "Candy Store" feel.

Their website is easily navigatable with a “What do you want to dispense” Section that offers suggestions for virtually any condiment, sauce or powder you may stock.

An added bonus to dealing with Server is that they actually have an employee named Ron Ripple which is the best Ice Cream name ever.

They can be found at www.server-products.com and at:
